RENEWED PETITION UNDER 37 CFR 1.47(a)

Commissioner for Patents
Washington, D.C. 20231

Dear Sir:

In response to the decision on petition under 37 CFR 1.47(a) dated August 29, 2002, the inventor of the above-identified application, Mr. Ralph Barclay Ross, respectfully renews his petition to have the above-identified application accepted absent the signature of one joint inventor, Mr. Michael Wayne Crabtree, who has refused to join in the application:

1. This application is a 371 of PCT/GB00/00176 that was filed January 24, 2000.
2. Prior to January 24, 2000, the two joint inventors of the above-identified application, Mr. Ross and Mr. Crabtree, worked to develop the instant invention.
3. Thereafter, Mr. Ross, through his counsel, caused the above-identified application to be filed and has attempted to obtain the consent and signature of Mr. Crabtree.
4. Specifically, as seen in the attached Exhibits, on October 17, 2001, Mr. Andrew Shanks (a registered European patent attorney and counsel for Mr. Ross) sent a letter to Mr. Wayne S. Breyer (a registered U.S. patent attorney and counsel for Mr. Crabtree) requesting that Mr. Breyer obtain the consent and signature of Mr. Crabtree on a Declaration and Power of Attorney for the above-identified application. See Exhibit A.

5. Thereafter, on October 18, 2001, Mr. Breyer sent a letter to Mr. Shanks wherein Mr. Breyer states that: **“Mr. Crabtree has directed me to advise you that his signature will not be forthcoming.”** Exhibit B at ¶ 2. *Mr. Breyer’s letter also indicates that Mr. Breyer has full knowledge of the subject matter in the above-identified application. See Id. at ¶ 3.*

6. On February 21, 2002, Mr. Mark D. Schneider (U.S. counsel for Mr. Ross), sent a letter to Mr. Breyer (counsel for Mr. Crabtree) that included a complete copy of the application papers (specification including claims, drawing and declaration) and the preliminary amendment as filed in the Patent and Trademark Office by Mr. Schneider’s firm. The receipt associated with the February 21st letter indicates that Mr. Breyer received the February 21st letter (and accompanying enclosures) on February 27, 2002. See Exhibits C and D.

7. On Monday, September 9, 2002, Mr. Schneider telephoned Mr. Breyer’s office and left a message requesting that Mr. Breyer again confirm that Mr. Crabtree was not interested in executing the Declaration for the application that had previously been forwarded to him. See Exhibit D at ¶ 4 and at ¶ 6 above. On Tuesday, September 10, 2002 at 1:24 p.m., Mr. Schneider received a phone call from Mr. Breyer. During that phone call, Mr. Breyer **expressly stated that Mr. Crabtree would not be executing the Declaration to join in the above-identified application.** at *Id* ¶ 5.

8. The last known address for Mr. Crabtree is (per Exhibit B):

**Mr. Michael Crabtree
c/o Wayne S. Breyer
DeMont & Breyer, L.L.C.
P.O. Box 7490**

Shrewsbury, New Jersey 07702

9. Attached herewith are copies of the Declaration and Power of Attorney bearing the signature of Mr. Ross. (Exhibit E). The signature of Mr. Crabtree is blank as a result of his refusal to sign. Therefore, the Declaration should be treated as having been signed by all available inventors on behalf of the non-signing inventor.

10. A filing receipt that names Mr. Ross and Mr. Crabtree as inventors in the above-identified application is respectfully requested.

11. In view of the refusal of Mr. Crabtree to join in the present application, inventor Ralph Ross is entitled to make such application on behalf of himself and Mr. Crabtree. Therefore, in view of the above information and facts, Mr. Ross respectfully requests that this petition be granted.

Respectfully submitted,

Mark D. Schneider

Dear Mr Breyer

Michael Crabtree & Ralph Barclay Ross

We represent Mr Ross in connection with various intellectual property matters; we understand that you act for Mr Crabtree. In particular, you are named as agent of record on Mr Crabtree's US Patent 6,182,837. If this is not correct, please advise us by return.

You may recall that Mr Ross and Mr Crabtree jointly invented an apparatus and method for secure handling of elongate objects, and that our client subsequently filed a PCT application in respect of the invention. A US national phase application has now been filed derived from the PCT application, naming both inventors as applicants.

In order to complete the filing formalities, it is necessary for us to file a Declaration and Power of Attorney from each inventor with the USPTO. We therefore hope that you may be able to assist in obtaining Mr Crabtree's signature on the enclosed forms.

If you do not believe this would be possible, I would be grateful if you were able to let me know by return, so that alternative steps may be taken.

Thank you for your assistance in this matter. If you or Mr Crabtree have any questions, I would be pleased to answer them if possible.

Yours sincerely

RE: Michael Crabtree & Ralph Ross

Dear Mr. Shanks:

I am in receipt of your letter dated October 17, 2001 concerning Messrs. Crabtree and Ross. In answer to your question concerning representation ... yes, I represent Mr. Ross.

In the letter, you advised of a need for Mr. Crabtree's signature to complete filing formalities for a U.S. national phase application. You requested assistance in obtaining Mr. Crabtree's signature or, alternatively, an indication that it would not be forthcoming, as the case might be. Mr. Crabtree has directed me to advise you that his signature will not be forthcoming.

I should point out to you that Mr. Ross and Mr. Crabtree did not jointly invent "an apparatus and method for secure handling of elongate objects," as U.S. Pat. No. 6,182,837 is titled. In fact, Mr. Crabtree is the sole inventor of subject matter that is claimed in that patent, is the sole inventor of the subject matter that is claimed in PCT/US00/00887, and is the sole inventor of the subject matter claimed in PCT/GB00/00176. Your confusion on this point is understandable since you have not the opportunity to speak with Mr. Crabtree.

If you have any questions about this matter, please do not hesitate to contact me.

Very truly yours,

Wayne S. Breyer

I have enclosed for your review a copy of the application papers (specification including claims, drawings and declaration) and Preliminary Amendment as filed in the PTO by our office. You will, of course, note that Mr. Crabtree has not signed the declaration.

In order to move forward with the prosecution of this application, I kindly request that you obtain Mr. Crabtree's signature on the enclosed declaration. Alternatively, I request that you notify me should Mr. Crabtree refuse to sign the declaration.

If you have any questions, comments or concerns regarding this matter, please contact me.

Very truly yours,
